earthwork reclamation release for Kingston Canyon Rock (S/031/0009)

John Blake <jblake@utah.gov>

Wed, Mar 6, 2013 at 12:10 PM

To: Peter Brinton <peterbrinton@utah.gov>

I concur. The earthwork looks great.

Hi John,

We would like your concurrence on the release of earthwork reclamation responsibility for the Kingston Canyon rock quarry. Please see the attached inspection report from last year. We plan to inspect revegetation to determine whether additional revegetation work is needed. I'm verifying with Paul that what I saw was a weed.

Peter
